SYNOPSIS OF ORDINANCE:

J-8P-02-16

An ordinance approving the award of Reference #1314, with respect to the purchase of Pavement Marking Material, for the Traffic Engineering Department. Cost of the material is the lowest of three (3) bids received for that Reference.

EFFECT OF PASSAGE:

Award of this Reference will ensure that the material needed to identify center lines, lane lines, edge lines and turn lane arrows is readily available.

EFFECT OF NON-PASSAGE:

Without the material, certain streets would not be properly marked, resulting in confusion to the motorists, causing delay, congestion and potential traffic accidents. The City would also be vulnerable to civil liability action.

MONEY INVOLVED (Direct costs, Expenditures, Savings):
